***GNYHA Services Announces Edge Membership Agreement with Sg2***

**New York, NY, February 18, 2009** – GNYHA Services, Inc. has recently contracted with Sg2, an international health care intelligence company, to provide health care information resources to benefit its membership. Through its Edge Membership Agreement, GNYHA Services will provide its member hospitals with a broad array of timely and relevant health care information provided by Sg2 on a wide variety of topics, further enhancing the clinical and technology “knowledge-brokering” services available at no cost to the GNYHA Services membership.

“We are constantly on the lookout for tools and resources to help our members, particularly in our current economy,” said Christopher J. O’Connor, Executive Vice President, GNYHA Ventures, Inc. “In Sg2, we found a health care intelligence company whose network of experts bring true understanding of, and solutions to, the multifaceted challenges of running a health care facility.” To learn more how GNYHA Services will be working with Sg2 to benefit its members, please contact Timothy Glennon RN, MSN, CMRP, Vice President Clinical Resource Management, [glennon@gnyha.org](mailto:glennon@gnyha.org).
